democracy.

EVEN as the election in Maine was brought about by voting the republicannot long be suspended. not accepted as conclusive of Han-can ticket. This had a powerful cock's election, so the elections in Obio and Indiana do not settle it that Garfield and Arthur will be elected on the second of November.

effect, and we see the result. The people were tired of the bloody shirt for the consul at that place.

MADRID, October 14.—The ministructions for the second of November.

ALL the high tax organs are "ad- The whole strength of the republican some districts of Cuba. mitting" that Wilson's strength is party was concentrated upon these rapidly failing. It has been failing two states, but when the November relection comes they will have the eleventh of Angast What as to make a fight in every state and the the eleventh of August. What an to make a fight in every state, and the affairs have received information that immense stock he must have had at democrats will have a better chance the further stay of the Chinese emfirst, and yet none of these high tax to meet them upon equal terms. The bassy in St. Petersburg is considered organs ever heard of it.

THE democratic executive committee of November, General Hancock is to of the state has fulminated again.

It thinks because the republicans diana, at least, it seems that the demonstrated Ohio and Indiana the true carried Ohio and Indiana the true ocrats made some unfortun in 1873. democracy of Tennessee ought to sur ate nominations. render to the high credit oligarchy, sult is a serious disappointment, It also certifies that the race is be but it will not demoralize or disband tween Wright and Hawkins. Over the democrats in any state. They Not So Bad From Ohio-Democrats one hundred thousand honest, fear- have seen darker days and yet remainless Tennessee democrats think differed true to their principles. These to ently and will reply to the committee on the second of November.

Even the Nashville Banner, usually so fair, courteous and conservative, 4.284,757 votes in 1876, or a quarter of has been whipped into line and now a million more than Hayes, is not to talks as gibly as the American about he dispersed or cast dawn because the from 84 out of 88 counties, which show the Tennesse communists, and like- party in power with all the power and republican gains of 8509 and demowise opposes submission. It has made machinery of organization, money and cratic gains of 6780; net republican a complete flop on this question and, sovernment influence at its back, sains for Townsend, secretary of state, like most new converts, seems trying managed to carry two pivotal states. 1818. At the democratic headquarto make up for lost time. The greater as they are called. The democratic ters returns have been gathered from reason that the people should be on party will close up its ranks and con-various sources, so that all the counthe alert and see to it that they are time the battle for constitutional gov ties have been heard from. Accord not bound hand and foot and turned ernment and an honest administration ing to these figures the democratic over to the bondholders as hewers of of public affairs until the victory is gains for Lang, secretary of state, are wood and drawers of water for the won, whether that is in 1880, 84, 88, 8963; gains for Townsend, republican. next thirty years.

SPEAKING of Mr. Wm. R. Moore, peace and welfare of the whole counthe Holly Springs South says: No man in Memphis has been so kingly treated, so leniently dealt with. And there are many northern communities who would put on a severer gag than any con, non ostracism if he should likewise bely them, their mo-Democrats claim a gain of 2800 votes. should likewise forly them, their inotives and characters for a political purpose. Yet he lives in Memphis unharmed, and people from the surrounding country go to him to buy goods at higher prices than could be had from others, only to show their sincerity and practically demonstrate stands.

Democrats claim a gain of 2500 votes.

In Indiana it is claimed that eight out publicans 8, democratic 5.

Washington, October 14.—For Tennessee and Ohio valleys southerly to westerly winds, increased cloudiness and rain, falling followed by rising that what they say they will do, and will not condomn any citizen on account of his political opinions. It is well to bear and forbear, but there should also be a limit to forbearance, October 14, 1880.

Stock, Saptember 1, 1880.

COLONEL Tom Hamilton is spreading himself to bent Casey Young for congress. He is very popular with the colored republicans, and will poll almost the entire strength of the party in the district. His race means business, and we warn the democrats now, little as they think of it, that Casey Young has no walk over the track. The idea that there are two republican candidates in the To-da field has lulled the democrats into a | 1 state of fancied security. Mr. Moore riety of the business, and he has no more chance of electron than Colonel Edwards, the greenback candidate for governor. Of course he will stay on the track, but he is not really in the race and is a candidate for the glory and notobut he is not really in the race and ing's closing rates as follows: Deliverwill not poll a larger vote than the les for Plow Boy Harris. Hamilton is next October November in the race to Colonel Young, and is making a quiet but vigorous canvass. It is high time for the democrats to wake up and go to work.

WE are once more and finally assured the bottom has dropped out of the Wilson or bolting movement. This is very remarkable, when we were in Orleans, 71-164. Sales to-day 12, formed "officially" that it never had any bottom, that it was an orphan of doubtful paternity, a cross between repudiation and communism and so undeserving as it was friendless. And atill they permit Judge Wright to go on frailing it to pieces every day and tearing it to takers. All the his mon tearing it to pieces every day and tearing it to tatters. All the big men who imitate Judge Wright rip it open and scatter it to the four winds in season and out of season, and still it seems, that well and still it seems that well and the seems that well and th it seems that until a day or two ago, precise date not ascertained, the thing had a bottom. Of course the sides, ends and tops, if it ever had returning home after the speaking the any, were smashed into smithercens other night was startled on entering early in the couvass. When Judge his gate by the sharp report of a pis-Wright abandoned his regular up. tol twice in succession. On investigapointments, the bolter's movement tion he found a lady living next door barely had a bottom left, and now that standing on the back porch shooting has dropped, leaving the valiant at a supposed chicken thief. She was patriots who have been hammering certain that she saw two negroes. One Building and Loan Association away at it so vigorously, with nothing tumbled a summersault over the do do. It must be quite a relief to clothes line as she fired the last time. at 750 3 them to get rid of that tough and A light was produced and the hen rroublesome bottom.
